TOURNAMENT

Saturday October 7th 2017

Manalapan Park 120 Taylors Mills Road Manalapan, NJ 07726

Inspiration has struck my flag football team to help kick bullying!

I'm asking for your support in helping me and my team reach the highest Fundraising Level at the Inaugural BULLYING...We're Kickin It Flag Football Tournament to Benefit the Kickin It Kids AntiBullying and Leadership Center on Saturday October 7th 2017 at Manalapan Park on Taylors Mills Rd.

Each of us has either witnessed, participated in or have been on the receiving end of bullying. I am choosing to participate for all the children who suffer the effects of bullying on a daily basis, and for every child who felt so desperate and helpless to have taken their lives. I am choosing to participate to show unity and support to help end this ever growing epidemic that continues to plague our youth.

This event is led and organized by students to raise awareness, to show support and unity for all those who feel alone. Any level of support from you is appreciated.

Your donation will directly impact the growing programs at Kickin It to educate and support students' preschool through college that will help them excel socially, academically and in life; providing students the resources and tools they need to overcome the negative obstacles that will help them grow into tolerant, respectful, healthy members of the community.
